

### Reconnect with confidence

#### SOCIALLY DISTANCED DINING

We are delighted to invite you to dine 'Stunning and Safe: Parties at Home' style, within government guidelines, and entertain your friends and family once more. We offer a one-of-a-kind bespoke garden party, with 5-star comfort & service.

We bring together the very best in catering, cocktails, service and entertainment to delight your selected guestlist for an invitation beyond the past few months of Zoom calls.

#### STRUCTURES AND STYLING

Transforming gardens or courtyards into special spaces, with décor, lighting, special touches and pizzazz, to make that postponed milestone birthday or long-awaited longtable lunch party truly memorable.

We will install structures to suit, provide furniture and decorations to complement. Floristry, place cards, beautiful linens, lighting, chill out spaces and tableware to exquisitely style the occasion. A luxury experience, a celebration to really remember.

## Tantalisingly tasty menus

We work with a fantastic range of talented chefs who take great pride in offering lots of varied menu styles. Delicious & stunning in their presentation, we champion local produce and suppliers. We will take great care to develop a perfect menu for your special occasion with some 'starter for 10' ideas such as;

- Tasty, mouth-watering barbeques using local produce & fresh gorgeous salads
- Plated menus with a procession of courses to tempt & delight
- Pizza ovens or 'food station' style set up such as crepes or waffles
- Gorgeous hampers or tiered cake stand service, for a luxe picnic or classic afternoon tea
- Children / Young menus with special treats such as burger sliders, ice-cream vans and mocktails

We can develop the menu with any available kitchen facilities or prep areas available in mind, or bring in our own ovens / BBQs – we can work with you on what best suits your property. All catering will be 'Covid secure' with our chefs and serving staff following rigorous procedures from preparation to departure.

# Big flavours

It's what we do. Delicious morsels, decadent desserts, eye-popping cocktails and champion mixology for that extra flair. Provide your own favourite champage & wine, or we can give you some options — we don't charge corkage.

### A bit of lightness & laughter

#### A SPOT OF MUSIC AND PERFORMANCE

We can develop a full roster of fantastic musical or magical performances, theatrical showcases or just some background music – all with social distancing and guidelines in mind.

We can curate multiple elements, or keep it simple with a top-notch playlist. We work with a wealth of local, talented performers who would be delighted to bring some accompaniment to your event.

#### CHILDREN'S ENTERTAINMENT

Children's parties can be catered for, with skill and care to ensure that even the smallest of our guests can feel involved and be engaged in the fun – whilst allowing for social distancing to be followed & guidelines adhered to including 5:1 children-to-entertainment-team ratio and parent-sanctioned temperature checks & best-practice procedures in place.

We can also create a range of activities and play zones that encourage ample distance between non-family members, whilst still allowing families or bubbles of children to have more interactive play on the day.
